

BECOME A KW WELLNESS AMBASSADOR

Wellness and success go hand in hand. **That's why we take it so seriously.**

The KW Wellness program was created to encourage active and healthy lifestyles for all KW family members. Our dedicated Wellness Ambassadors are the key to its success. They drive the initiatives in their market centers that keep holistic health top of mind.

Receive Ambassador Status

Play a more active role in your market center as the go-to person for all things health and wellness related. Open enrollment, Wellness Day, Run for the Water, and local initiatives will have your name attached to them.

Grow Your Network

Leading this initiative will allow you to make connections with local businesses, vendors and possible prospects. Use this as a networking activity to build your business!

Attend Exclusive Wellness Ambassador Calls

Each month, you'll hear from high-profile guest presenters and receive specially curated tips and resources that you can easily implement in your own market center.

Join a Community of Like-minded Individuals

Enjoy lively discussions on our ambassador-only Facebook page. Share ideas, interesting articles, recipes and success stories to stay motivated.

NEW! Enjoy FREE Group Coaching

In exchange for promoting the Energy Advantage – Mental & Physical program, Nina Rowan Heller, health consultant, trainer and KW MAPS Coach, invites you to enroll in the program for free. Conditions apply.

Earn Recognition as a Wellness Leader

We reward passion and creativity by featuring our most dedicated ambassadors whenever possible. Earn your spot in a KW publication, as a guest presenter or a panelist, for having led a wildly successful wellness initiative.

Achieve Your Own Wellness Goals!

By becoming a Wellness Ambassador, you'll prioritize taking time to focus on your personal well-being. Embrace this opportunity to gain accountability partners in your journey toward a healthier lifestyle and improved work-life balance.

The positive change in your market center can start with you.
